Project description (reason for funding request) – What will you use the funding for	<i>Please attach any supporting evidence to this application</i> Annual funding to encourage local responses to climate change and biodiversity loss. This includes the work to drive local nature recovery via the West Deben Green Cluster Nature Recovery Project. GW is a small organisation with no subscription income and is dependent on voluntary donations. We are applying for support towards: 1. hosting and email server costs for the GW website (used as the platform to manage enquiries and information sharing for all activities and events including the West Deben Green Cluster of Nature Recovery Project), 2. Meeting Room hire (village hall) <i>Below is a full breakdown of our estimated annual running costs.</i>
Does this project provide or enhance a local service and/or improve the quality of life and/or enhance the environment in the village and/or positively promote waldringfield itself?	GW's activities are focused upon improving the quality of life and enhancing the environment within the village and working with other adjoining parishes. The GW website also supports Waldringfield Wildlife Group and Waldringfield Gardeners Group.
