Unitary authority elections will be in 2027, and existing councillors remain in post until 2028. New recycling bins are being distributed and will accept glass and tetra packs not previously offered. The hope is to have less contamination of recycling elements.

Cllr Nimmney: Discussed the challenges of budgeting with a “shadow authority” who will have oversight of the budget once in place. Noted that Felixstowe Academy’s provider has chosen to step down their sixth form provision, and this is a concern for smaller communities.

Cllr Elliot spoke - advising that this is former Novacastria - renamed Waldringfield Lodge. She had also reviewed the application history of the property and shared this with Councillors. It was advised that Cllrs Elliot, Kay and the Tree Warden had a site visit with applicant.

Cllrs noted that this is outside the settlement boundary and therefore considered in the countryside.

Cllrs discussed the elevation of extension that faces the river is all glass, and does not detail the light spill mitigation and there is no external lighting plan in the application. New (Laurel) hedging was proposed in the application, to provide better privacy protection. Landscape officer from ESC wrote a response which was reviewed by Cllrs. Tree Warden has also submitted a report to council on this issue.

MOP 3 was recognised and explained the reasons around the hedging change. Cllrs discussed this at length.

Cllr Elliot also noted applicable planning policies for Cllrs to consider.

Motion to respond that WPC are **unable to support the application** until the above reservations are clarified - Proposed Cllr Elliot; Seconded Cllr Quick - 4 in favour; 2 abstentions.

a.iii) DC/26/0325/TPO - T10 of TPO No. 191/2005 1no. Oak (marked on map) - Re-pollard to previous pruning points - Little Stubbs, Cliff Road, Waldringfield, Woodbridge, Suffolk IP12 4QL – **Officer – F Saunders** – **Deadline 18 February 2026**

Tree Warden visited the site and submitted a report for review by Cllrs. Tree Warden met with the applicant and discussed options that would be less invasive. Cllrs agreed this would be preferred.

Motion to respond with a **HOLDING OBJECTION** to this application in its current form – Proposed Cllr Elliot; Seconded Cllr Kay - all in favour

b. To CONSIDER providing comments on Landscape Masterplan (Brightwell Lakes – SE corner)

Cllrs viewed the draft drawing proposed by TW in respect of the SE corner. Prior to submitting a reserved matters application, TW is seeking views from the WPC.

Cllrs reviewed the Outline Planning Consent Masterplan against the proposed new drawing.

Cllrs noted and discussed - the play area’s proximity and exposure to the road is inappropriate. More generally, the purpose of the area was to provide a “soft transition”, between B Lakes and the countryside. Cllrs agreed that the proposed new trees would be insufficient for this purpose.

Cllr Nimmney commented that other local developments have done similar and his view is it is less than ideal.

Motion to delegate an appropriate response outlining the above to the BLCF members – Proposed Elliot, Seconded Cllr Gold – all in favour

ACTION: Cllrs Kay and Elliot to respond to TW

c. To RECEIVE updates from Planning Forum and **CONSIDER** consultation response to new draft NPPF
Cllrs Kay and Elliot attended the ESC planning Forum and will circulate slides when available.

Cllr Kay reviewed the consultation for the new NPPF which is being proposed by government. Cllr Kay displayed some information from the Town and Country Planning Association and noted 3 areas of concern which were discussed by councillors:

- Changes in the centralisation of planning authority decision-making;
- A strikingly more permissive planning regime (presumption in favour of development) with few caveats to refuse;

2207

- it proposes to eliminate participation (local government and public) in the decision-making process, noting that neighbourhood and local plans are subordinate to this.

Motion to respond addressing the above concerns, delegating to Cllr Kay to draft and circulate prior to submitting – Proposed Cllr Elliot; Seconded Cllr Gold – all in favour

ACTION: Cllr Kay to draft and circulate response for approval – submit by deadline

d. To MAKE ARRANGEMENTS to deal with applications received after publication of this agenda.

Clerk advised an application was received with a deadline of 04 March. Clerk is investigating an extension, but if this is not possible, Clerk canvassed Councillors regarding unavailable dates later in February for an extraordinary meeting. None provided of those in attendance.

Noted in the report was fencing to the South, which is chain link fencing which requires replacement – about 8m. Cllrs agreed that repairs are required and that this time of year is best for such repairs.

Motion to **APPROVE** up to £100 on fencing purchasing – Proposed Cllr Kay; Seconded Cllr Elliot – all in favour

ACTION: Cllr Forsdike to secure replacement fencing within budget

b. To CONSIDER WWG proposal for bat and bird boxes placement on playing field

Cllr Forsdike noted that a bat/bird box however affixed is something that can fall down, and as such a concern for the playing fields. Cllrs discussed responsibility for inspection and maintenance. Cllrs also raised concerns regarding the number of piercings on the tree that would be required.

Cllrs agreed that the inspection and maintenance of the boxes needs to be clarified. Cllrs agreed to the installation subject to a written agreement regarding maintenance and inspection.

Motion to **APPROVE** the installation; subject to written agreement: Proposed Cllr Elliot; Second Cllr Forsdike – 5 in favour; one abstention

ACTION: Clerk to draft agreement for review with Cllr Forsdike and provision to WWG.

c. To CONSIDER additional tree work on Playing Fields

Cllr reviewed the information from the Tree Warden. Cllr Forsdike explained that there are too many limbs, which are becoming too heavy, causing the possibility of splitting – reducing the crown would mitigate this for future years.

Motion to **APPROVE** the quotation provided of £375.00 and have work undertaken – Proposed Cllr Kay; Seconded Cllr Forsdike – all in favour

7. **a. To RECEIVE** the Playing Field Inspection report

Report will be circulated in due course.

b. To CONSIDER WWG proposal for bat and bird boxes placement on playing field

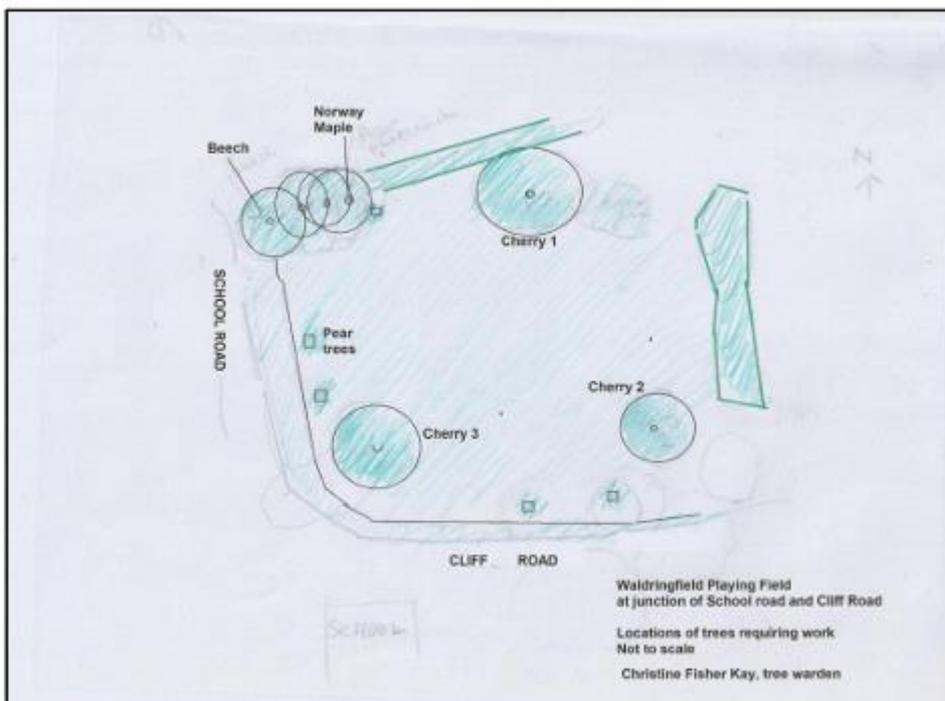

Report from WWG will be circulated when received.

c. To CONSIDER additional tree work on Playing Fields

Cllrs will be aware of a report from the Tree Warden in 2024 regarding some of the trees on the Playing field. She had discussed these with the ESC Arboricultural Officer F Saunders.

Quote from the Tree Warden's report 2024:

Cherry tree - T3 - This appears to be mostly healthy of the three and was in full flower. F Saunders suggests take 2-3M length off the tallest branches This will reduce its weight and the sail effect when in leaf. Monitor the canker, take photos and see how the tree responds to the pruning. In 3-5 years perhaps reduce entire crown.

Waldringfield Parish Council

Tree Warden’s current comments: Two years have passed already. I suggest reducing the entire crown now by 2-3m would be a good plan to preserve it for a few more years and continue to monitor the tree.

The Tree warden does not consider it urgent, but a quotation from the tree work supplier was obtained and reduction of the crown by 2-3M and remove significant dead wood was quoted at £375.00 plus VAT. This quotation for work is submitted for consideration.

ITEM 10

- 10. **CLERK AND RFO REPORT**
a. To CONSIDER and APPROVE items of expenditure, and receipts and arrange for approval of BACS accordingly – see separate list.

NOTE: Following a review by the tree warden, under Financial Regulation 5.18, the Clerk and the Chair authorised the removal of Cherry Tree 1 on the playing field, as due to disease, it was at risk of splitting and coming down, posing a risk to the public. As the risk was imminent due to forecast wind, this was undertaken between meetings.

Waldringfield Parish Council

ITEM 11

11. **a.** To **RECEIVE** updates/reports on public rights of way, verges and road safety matters
Nothing to circulate.

b. To **REVIEW** and **CONSIDER** recommendations from Residents meeting regarding verges
The following are the recommendation to Council for consideration:

1. The PC is asking the services division of ESC for a full street sweeping of the village. This should help reveal the edge of the made-up carriageway and the extent of erosion and damage along and beyond its edge.
2. If the cleaning is not undertaken at an early date CR to arrange for volunteer clearing and tidying the verges in the lengths of School Rd and Cliff Rd that are alongside the Children's Playing Field. This will be organised under the PC's existing litter clear policy and risk assessment (high-viz, warning signs etc). I will ask for the collection of the largely organic debris by ESC.
3. The PC again asks Highways to repair and repaint the markings of the deteriorating road humps in the 20mph zone and the carriageway edges on either side of the humps.
4. The PC invites Highways to send an officer for an onsite review with a view to advising what can be done by Highways or by volunteers working under the Highways Community Self Help Scheme or by third parties to deal with the village verges and associated issues.
5. The PC calls for volunteers to undertake training with Suffolk Highways to enable Waldringfield to operate a Community Self Help Scheme see <https://www.suffolk.gov.uk/roads-and-transport/highway-maintenance/community-self-help-scheme>
6. Both SCC and ESC local councillors are kept informed. Both Waldringfield Wildlife Group and Waldringfield Gardeners are kept informed in view of their continuing work on planting in many of the verges.
7. An article about the verges should be arranged for the next Parish Newsletter

ITEM 12
