MOP 1 – Spoke to Planning application on 0281/FUL (Item 6b) and noted new documents on portal. They noted for the council the Ecologist report appears to confirm there are no badger sets within 30M of the site – however, this resident believes there is in fact an established badger set. They also drew attention to a November bat survey, and wanted to further advise that they have observed bats in the area recently.

MOP 2 – Advised he is speaking to Item 6.a.i and Chair agreed he could address the council at this agenda item.

b. To RECEIVE reports from County and District Councillors

Cllrs Reeves and Nimmney – have little to report due to purdah. Advised due to local government restructuring – it may be that councillors ESB funding will cease, and it is unknown what will be determined in terms of CIL funding under the new shadow authority.

Cllr Elliot spoke and outlined for councillors the original application, approvals and the planning officer's comments in the decision.

Cllrs reviewed drawings, and photos of the site provided by a member of the public. Comparisons of the original to new drawings were undertaken on screen for councillors, reviewing all the proposed changes.

MOP 2: Commented as a direct neighbour and objects to the application. Their objection is that screening tree agreed at approval had been removed and that the changes to the windows proposed increase to an unacceptable level of overlooking. Also noted there is no restriction on light spill in the VOC application now that barriers to the windows have been removed.

Cllrs discussed at length the impact of changes that are being requested. In particular, light spill, the dormer cheeks, the screening tree, the roof of the window and the recessing of the windows were discussed. Cllrs also expressed disappointment that this is a retrospective application.

Motion to **OBJECT** to the application on the basis the changes increase overlooking – Proposed Cllr Reid; Seconded Cllr Ratcliffe – 2 in favour, 1 abstention and 2 against. Chair issued casting vote against. The motion was not carried.

Further discussion among councillors did not alter views. A new motion was proposed:

Motion to **RESPOND** by expressing disappointment that the alterations has gone ahead without securing planning permission and, as the PC is undecided on the application would offer **NO COMMENT** – Proposed Cllr Kay, Seconded Cllr Elliot – all in favour.

a.ii) DC/26/0031/FUL – Extension to existing garage/annexe building and formation of a new vehicular access (existing 2 number accesses to be sealed) – Waldringfield Lodge, Sandy Lane, Waldringfield, Woodbridge, Suffolk IP12 4QY – Planning Officer G Heal; **Deadline 18 May 2026**

Cllr Elliot advised the portal now reflects Drawing 6584 6 REV.B. This was reviewed by councillors in the meeting. This drawing is accepted by the AONB consultee in terms of lighting, and additionally the Landscape Officer agreed the Beech hedging, and indicates they have no further objection.

Cllrs accepted the hedge as an improvement. Cllrs discussed at length the lighting amendments, including comments from the 22 April meeting regarding “double tap” motion sensors, and further noted light spill concerns with the gable, which could be remedied with appropriate glazing.

2225

ACTION: Clerk to respond to applications by deadlines

Cllrs discussed design issues raised by a member of the public regarding bars on the slide and scramble ramp and collection of water of the tunnel. Cllrs reviewed photos of the equipment.

Cllr Forsdike sent an email to councillors explaining that the bars are safety requirements to mitigate risks associated with the equipment. Cllrs asked the Clerk to contact the supplier to clarify this and raise the issue of the tunnel.

ACTION: Clerk to contact the supplier.

8. a. To RECEIVE UPDATES from the Biodiversity Coordinator

Biodiversity leaflet is to be printed and sent to residents now purdah is over. Cllr Quick suggested that these be sent with the newsletter published 01 June. In addition, an article on citizen science will be included in the June issue. Cllr Kay agreed to undertake the coordination of distributing the leaflet with the newsletter.

2226

b. To DISCUSS Rural Exception site communication

Cllr Quick has investigated this with the email author, and noted the value of having a plan for affordable housing in rural areas. An exception site could be identified outside the development envelope, so long as a need is identified for social housing. The need in the parish is low. Cllr Nimmney advised this would be ideally addressed in a neighbourhood plan.

Cllr Kay suggested some of the projects from Waldringfield could include the new playing equipment, cross parish biodiversity leaflet, Coffee Morning photos or copies of our Village newsletter.

Good afternoon,
I hope this message finds you well.
*On the **27th and 28th May**, SALC will be exhibiting at the Suffolk Show—one of the county’s largest and most well-attended events. Our aim is to shine a light on the vital role that parish and town councils play in local communities, celebrate the incredible work all our member councils are doing for their communities, and encourage more people to get involved, whether by engaging with their local council or stepping forward to serve as a councillor.*
To make our stand as engaging and impactful as possible, we would really value your support. We are looking for:
- Photos that capture town and village life (events, markets, playgrounds, allotments, community projects, etc.)*
 - Details of upcoming events in your area*
 - Information on any current vacancies*
- Your contributions will help us tell a stronger, more authentic story about local councils across Suffolk. If you're able to share anything—or would like to discuss ideas—we would be delighted to hear from you. You can contact me by email at training@suffolk-alc.gov.uk*
Thank you in advance for your support

ITEM 12

12. **a. To DISCUSS** the Highways Volunteers Group leadership through Self-help scheme
Application forms have been sent. Cllr needs to be leader of the “group” of volunteers in order to schedule and liaise ref training and activities.

b. To RECEIVE updates/reports on public rights of way, verges and road safety matters
Nothing to circulate. Clerk's notes replacement of repeater sign on Newbourne Road and clearing of vegetation for 30mph entry sign on Ipswich Road.

c. To DISCUSS survey of speed humps on Cliff Road
Report circulated with these documents

d. To DISCUSS footpath 21 raised by Impact Landscaping
Received from contractor for footpath maintenance.
The only slight problem we have is the attached picture, not sure of the path number but the tree overtime has become lower and Graham cannot get through. He managed to go onto Alan Parkin's field but that won't be possible when there is a crop on there.
Below are the photo and the Definitive Map.
